

Product Type

Stock

Products you buy and/or sell and that you track quantities of.

Non-stock

Products you buy and/or sell but don't need to (or can't) track quantities of, for example, nuts and bolts used in an installation.

Service

Services that you provide to customers, for example, landscaping or VAT preparation services.

Combo

A collection of products and/or services that you sell together, for example, a gift basket of fruit, cheese, and wine.

Details about "combo"

When the user select the "combo" product type , only Product name, product code, description will be visible in the form and a table(column head: Product/Service name, qty, action(delete icon)) will be shown in the form where product can be added from the existing product/services
